GOOFING OFF

A Gar-Field student's social life is highly directed towards one practice, goofing off. Naturally we all need some sort of escape from our responsibilities and the lunch room seems to be the perfect place. Each day the lunch room is filled with boisterous activity. Luckily our administrators are generally amused as long as you don't catch them in a bad mood. These experiences are part of what make high school life so special. "All work and no play makes for a very dull day."

This year the prom was held at Stouffers Restaurant, in Crystal City, on June 1, 1985. The music was supplied by SinBad and the theme was "Lost in Love." Can you think of a better one?

As the date of the prom grows nearer, the expectations grow higher and finally everything is ready right down to the corsage and boutonniere. As you await the arrival of your date, you examine your appearance one more time.

But wait, before you leave for your evening of romance you must satisfy your camera happy parents with this pose and that. Then, finally, you are on your way!

LUNCH

Lunch is the time when friends get together and tell each other what has happened through the first half of the day. After talking they might find the time to do what they're supposed to do . . . eat lunch! If they are not very hungry, but just want something to sink their teeth into, they might just go to the book store and buy some candy. Being with your friends and relieving your mind of your most horrid class is what lunch is all about.

A DAY IN THE LIFE OF A STUDENT

Each day the student plays many roles. They have to show manners, be mature, and act silly and wild with their friends. Students spend over half their time with friends doing little things like gossiping, eating lunch or making plans for after school. Friends are the most important things in many of our lives. They listen to us, cheer us up and just take the time to be there. The friends that are made and the roles that are played are what make up student life.

Mrs. Combs, head of the English Department, speaks for the whole department when she says she would like to see the students develop an understanding and an appreciation for English. The teachers would like for the students to realize everything that English can do for them. FOREIGN LANGUAGE

What exactly is foreign language? We asked Mrs. Kabler, the head of the Foreign Language Department, for her definition. She sees it as a better understanding of a language and an expression of a culture. This year the Foreign Language Department hopes to achieve this definition through the students. They hope the students get a better understanding of the language as well as the culture. Mrs. Kabler believes that the U.S. education is poor in the way that people are not able to speak fluently. She believes that something must be done to upgrade this. That's where the Foreign Language Department comes in and hopefully achieves success. The department wants the students to be able to go to a foreign country and survive on a day-to-day level.

Gar-Field players take time out to "get fired up."

"Be the best you can be" is the attitude that the team adopted this year. They spent a lot of time working and playing hard resulting in a successful record of 13-5.

The team had many key returners to work with along with three first year players. Gar-Field encountered many games that lasted more than seven innings to top rated teams such as Potomac (5-6) and Fauquier (5-6). These close games gave the team confidence and the incentive to work harder and "be the best they could!"

Many awards were given out at the end of the season which included: Best Charlie Hustle-Barbie Sprinkle, MVP-Linda Flore, Most Improved-Patti Burian, Best Offensive Player-Terry Hosier, and Best Defensive Player-Debbie Long.

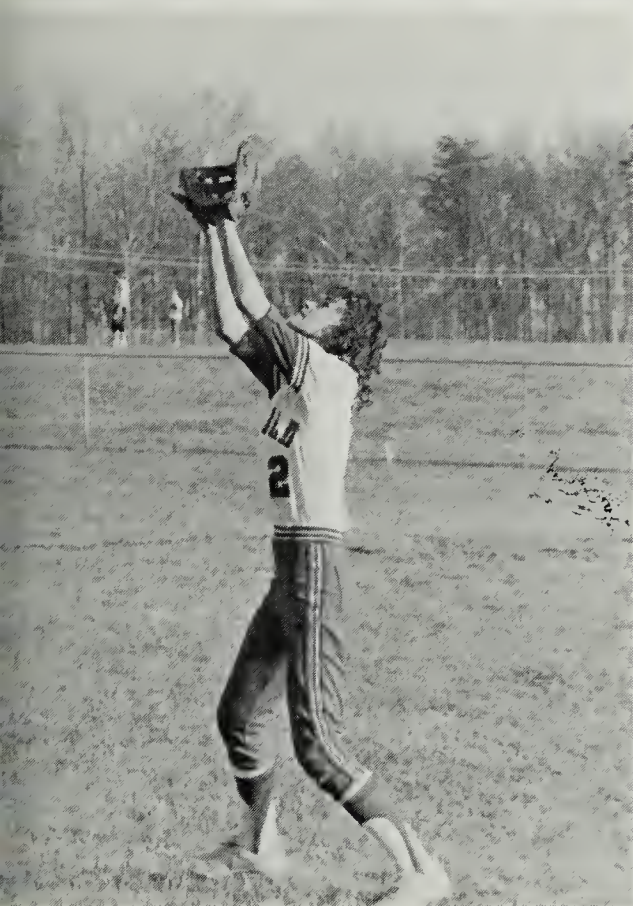

Gar-Field is looking to have a great season next year!

When the football season began this year, no one had too much faith in our team except the team themselves. Gar-Field was predicted to finish 5-5 by the Washington Post. What a surprise! The Indians finished the regular season a perfect 10-0 and was ranked fourth in the state. The Potomac News said "Gar-Field could not be stopped by anyone during the Indians 10-0 district champion season." This was the third time in school history that Gar-Field finished undefeated.

Coach Courtney said that his biggest pleasure of the season was seeing how close the team became. "They were like a family." He also enjoyed seeing all of the enthusiasm from the student body.

The Girls Tennis Team was predicted to end up fifth in the district, but they finished first in the district. The team finished 9-1 in the district and after going 2-0 in Regionals, they finished the season with an 11-1 record. This was the fourth year out of the last six that the team won the Commonwealth District title under Coach White. The captains of this years team were Julie Turner, Michelle Myers, Penny Tucker, Maureen Ogden, Karen Fowler, Kim Barnhart, Colleen Grafenstein, Paige Dwyer, and Beth White. This years MVP was awarded to Beth White. The team owed a lot of thanks to the team manager, Bev Valsco, who helped a lot throughout the season. Karen Fowler and Heather Mason were rated the top doubles team in the district.

The 1985-86 Varsity Volleyball team played to their utmost in every game. The team was predicted to finish fifth, but finished a proud second in the regular season, which Coach Johnson feels was quite an achievement. Susan Taylor and Chris Seaton were chosen for All Area First Team and All District First Team. Deanna Peschka received Honorable Mention. MVP was awarded to Susan Taylor for main attacker as well as to Melodie Miranda for setter.

BOY'S CROSS COUNTRY

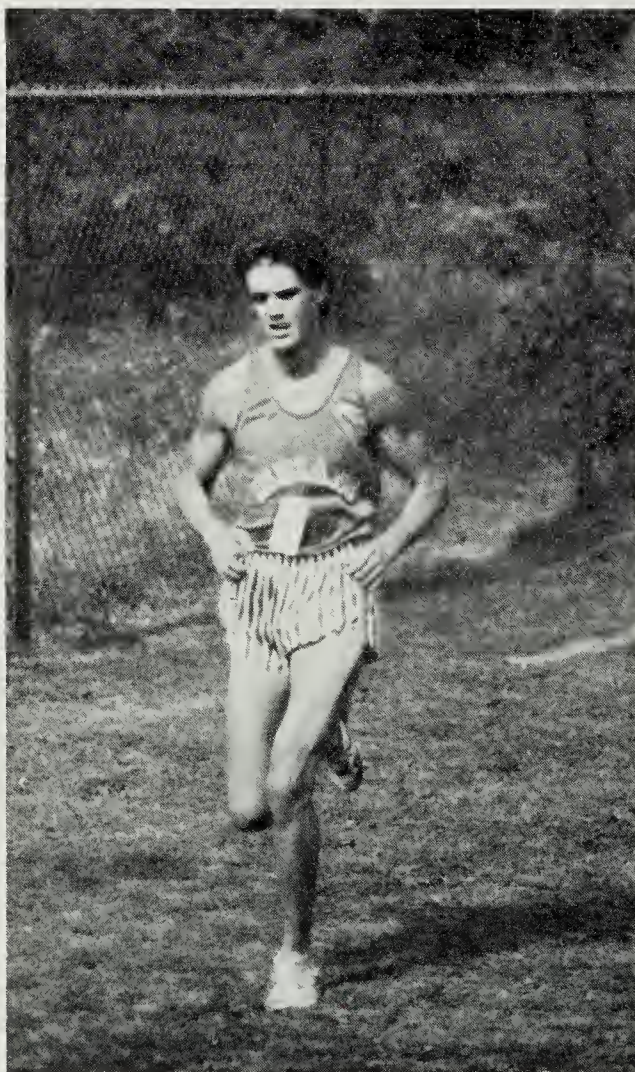

Front Row: David Washington, John Pope, Joe Brazil, Dennis Cross, Eric Beale, Albie Strumm. **Back Row:** Scott Sorenson, Pat Cooper, Paul Sanford, Tom Filip, Tony Watt, Ferron Powell, Kenny Chase, Mark Salyers, Stacy Heinz, Hutch Carpenter, Carl Johnson, Coach Deagan.

This exceptional Cross Country season was made possible by running GREATS such as Ferron Powell, Tommy Brandt, Hutch Carpenter, Mark Salyers, Tony Watt, Paul Sanford, and Carl Johnson. Not to leave unmentioned was the constant puch by Ken Chase and other dedicated J.V. runners. The Gar-Field team was expected to have to exert their tremendous strength in order to come up with fourth in Districts. It was a cold, wet day at the Manassas Battlefields. The mud lay six inches deep. Gar-Field pushed forth to place third in Districts. After Districts, the team went on to place third in Regionals and then wrap up the season nicely with a fourteenth place finish in State. Congratulations to Coach Deagan and the Boys Cross Country Team for an "exceptional" season.

The Gar-Field boys varsity basketball team's 7-12 ranking is much better than what the record indicates. They have improved greatly during the season and were in a good position to challenge in the district tournament. The team finished 6th in the district.

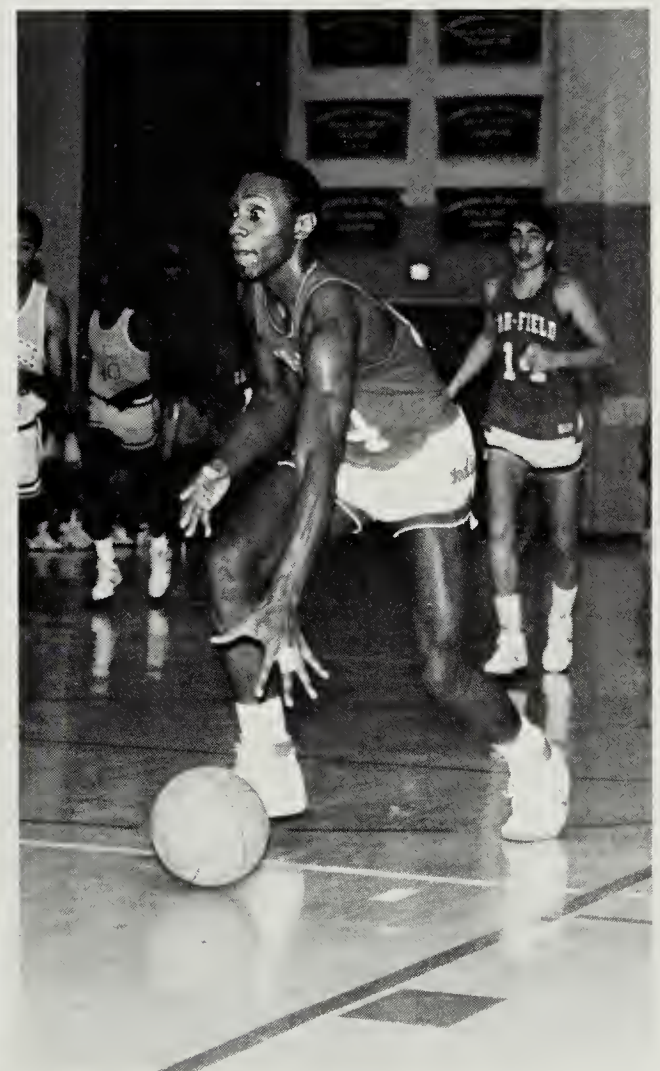

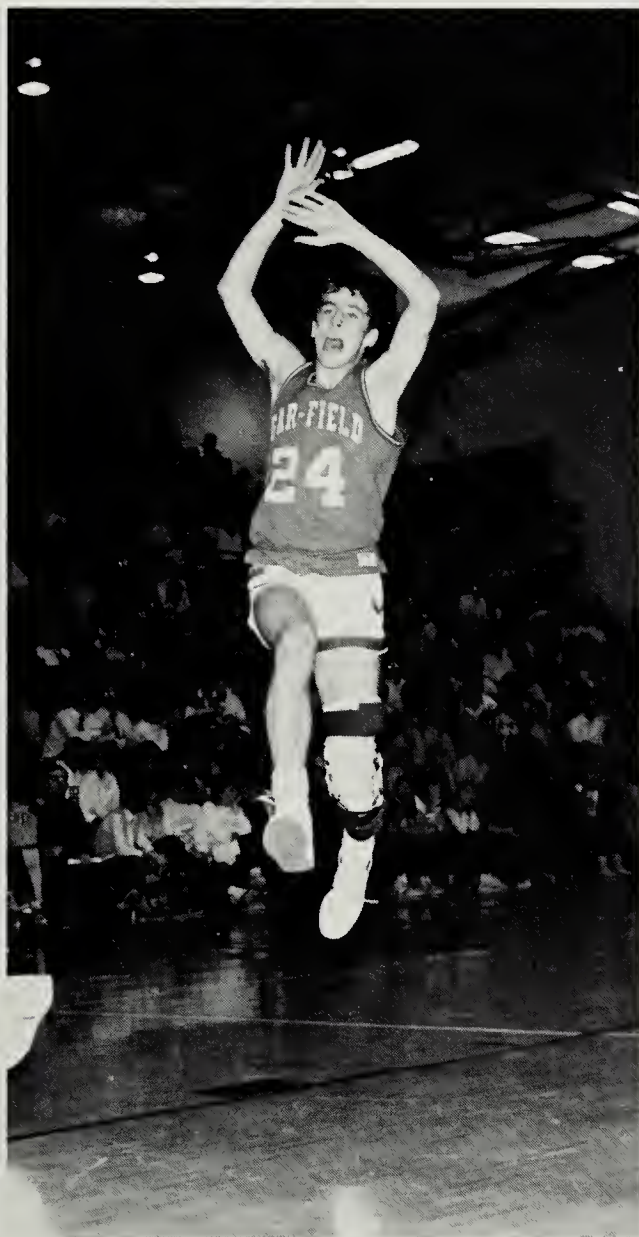

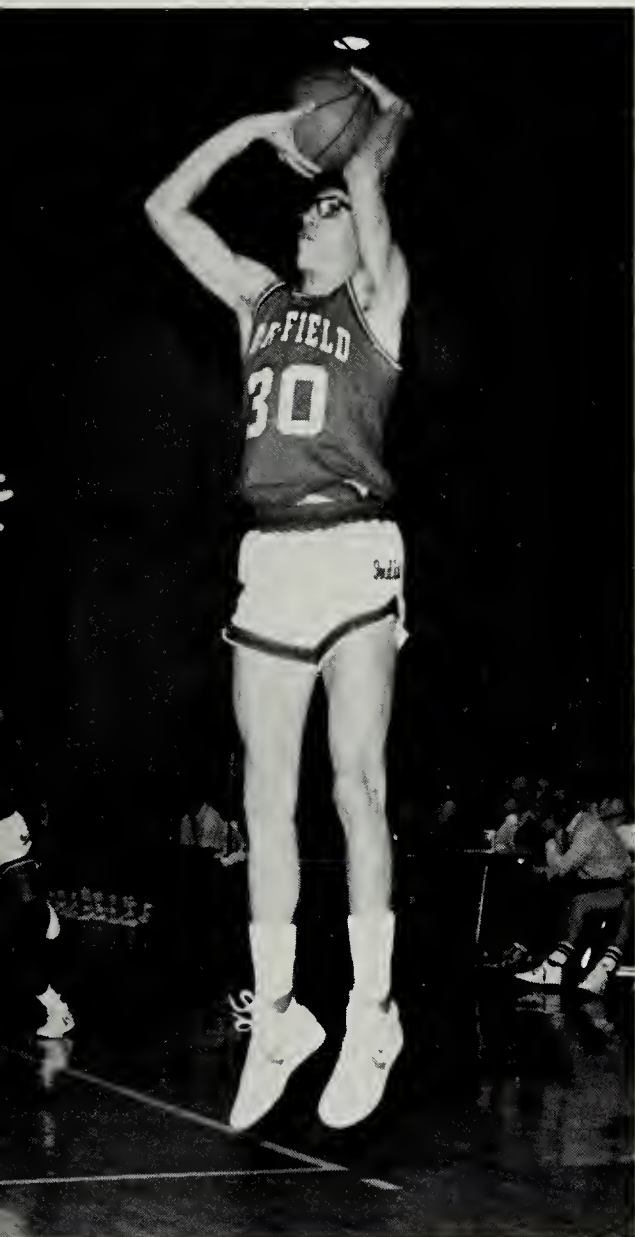

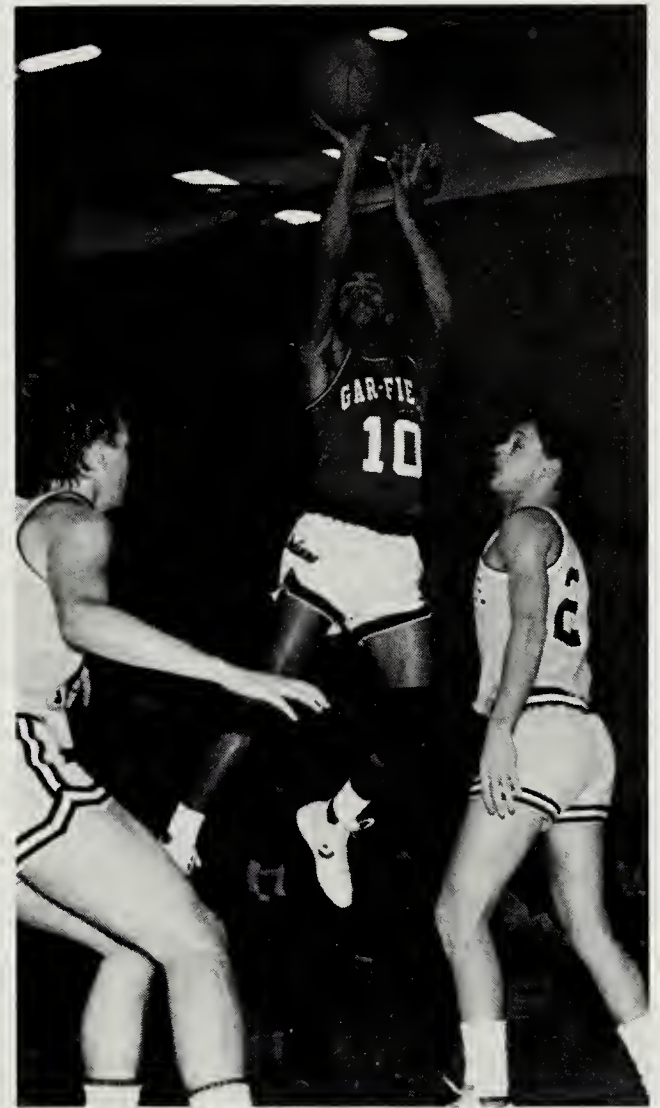

Outstanding players were William Jackson and Mark Fayak.

The 1985-86 Wrestling Team is one of the best teams that Gar-Field has had in the past several years. Tournament Championships came in "threes"...Richmond Christmas Tournament, Commonwealth District, and Northwest Regional. This indicates not only the talent but also the consistency of the squad. Both the J.V. and Varsity teams went undefeated in the District, a first for the Legge-era teams. Coach Legge states that "One of our goals at the beginning of the season was to have an outstanding J.V. team. We believe we accomplished that with room to spare."

To the class of '86 and the "Party All the Time Crew," (Cindy, Danielle, Franciose, Michiel, Krista, Kim, Christy, April, Lou and Valerie):

First I would like to congratulate everyone. I think we pulled it off! Actually, it seems like just a few years ago that we were running around in diapers and now we are all grownup and making a very important step in our lives. "The Introduction of the class of 1986 to a world of hopes and dreams." So shoot for the stars!!

I would like to thank a couple of people. To Danielle & Steve, what's adventure & comedy without the two of you? To Cindy, Ricky, Franciose, & Michiel, thanks for being there to tie up my telephone line. I wish you all the BEST in everything you do! To two people who showed me the light to parties, I thank Anna & Joy for not minding two tag-a-longs during some of the wildest times. I thank my sister, Myrna, for wearing the same size as I do. Much luck & happiness in the future. To Mark, who showed me a real friend, all my love multiplied by a million. To Mom & Dad, thanks for not putting my bags on the front porch after some trying & difficult times. To the Senior Class of 1986, I would like to advise you to always have a back-up-plan for your goals. For if they should fail, which is possible in life, you'll be able to go on.

Finally I'd like to say that the Class of '86 are really the one's who rule!!

With Much Love,

Stephanie Francine Williams

This year's yearbook was published by Jostens. Jostens introduced the yearbook staff to many new layout and design techniques. The most important component introduced to our staff by Jostens was the use of a computer for copy and layout editing and design. We are pleased to say that all copy in this year's yearbook was produced on an Apple IIe.

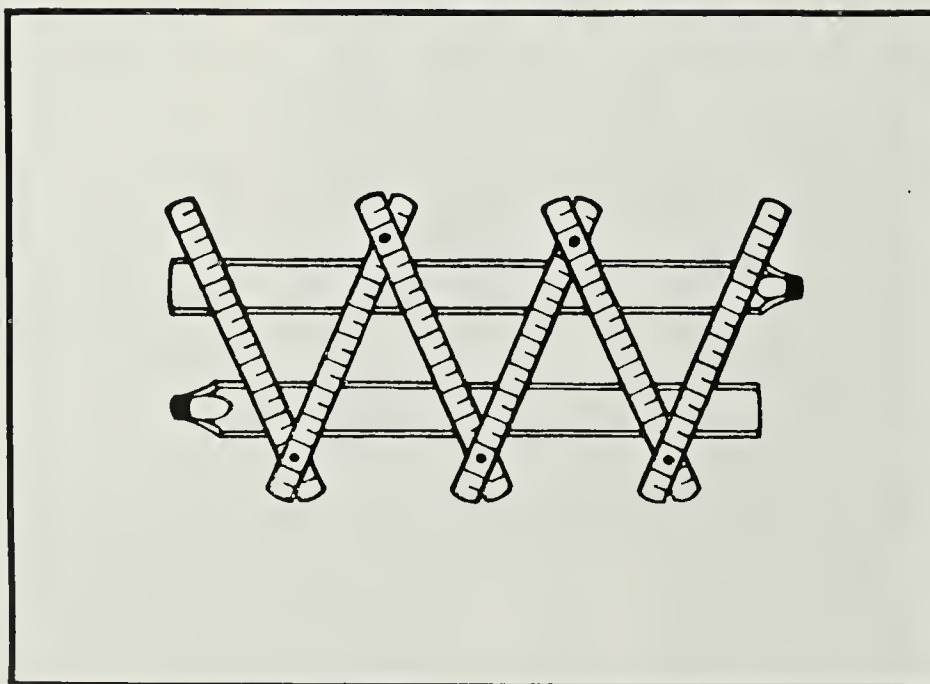

"We photographers frequently take pictures with no film in our camera!"
"Smile!"

Don't be fooled by these happy faces, producing a yearbook is harder than it seems.

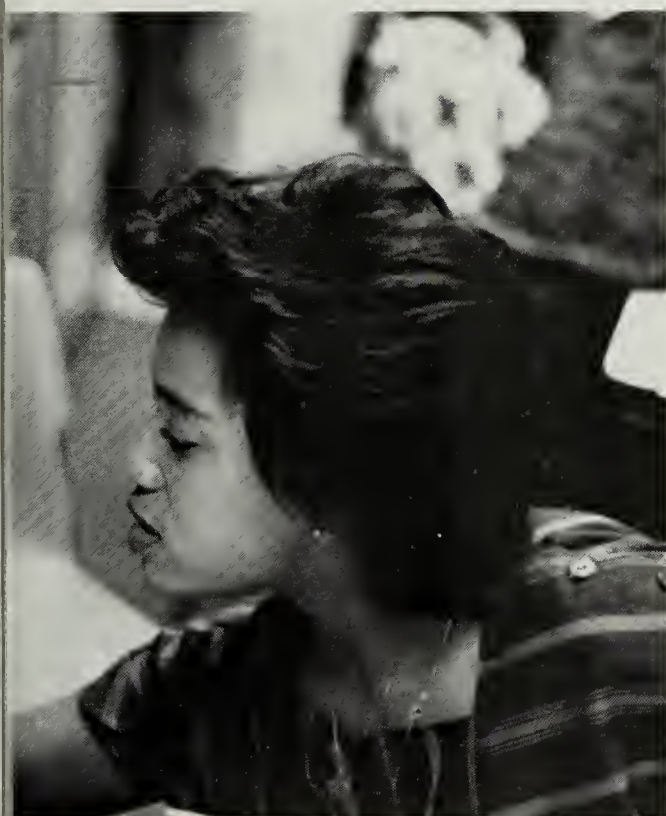

Smile Tracy, an editor's work is never done!

TOOLS OF THE TRADE

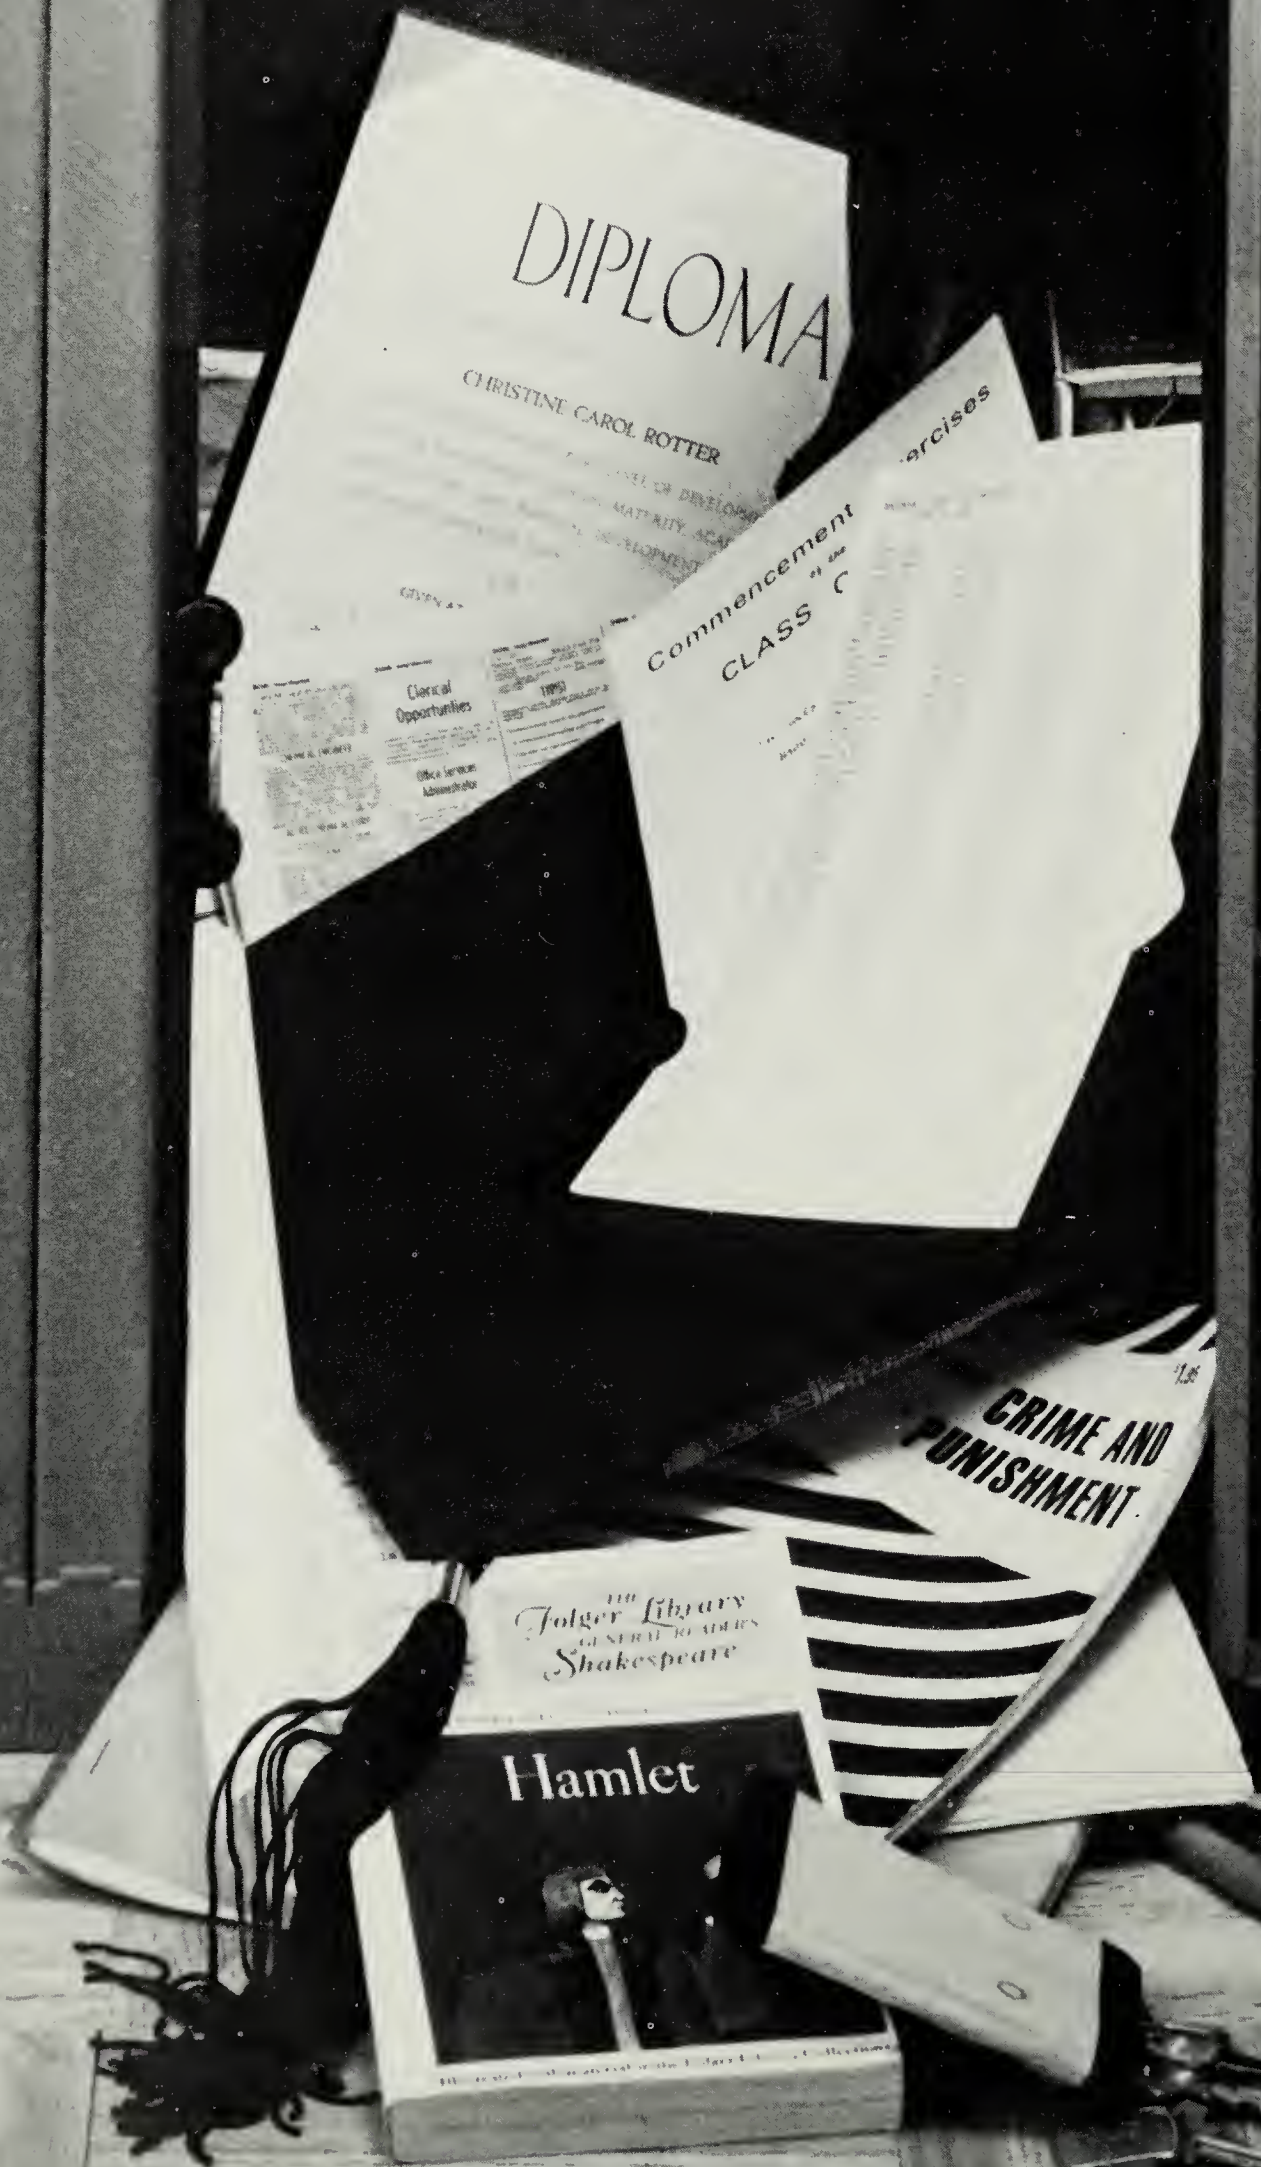

"Mrs. Shacklette, can we please go home now? We finished the yearbook!"

Top Right: Frank Zane: Is this really necessary?

SOPHOMORES

ALL EYES ON SOPHOMORES

Unlike a Freshman a
Sophomore has no excuse
To act like a fool, but
their time is still spent to amuse

The classes get harder,
and their lives are better known
Writing shows meaning
Personalities better shown

Driving is the highlight
of a sophomore's year

Many show excitement
holding back their fear

Pieces taking shape, in
the puzzle of life
Ideas balanced,
on the blade of a knife

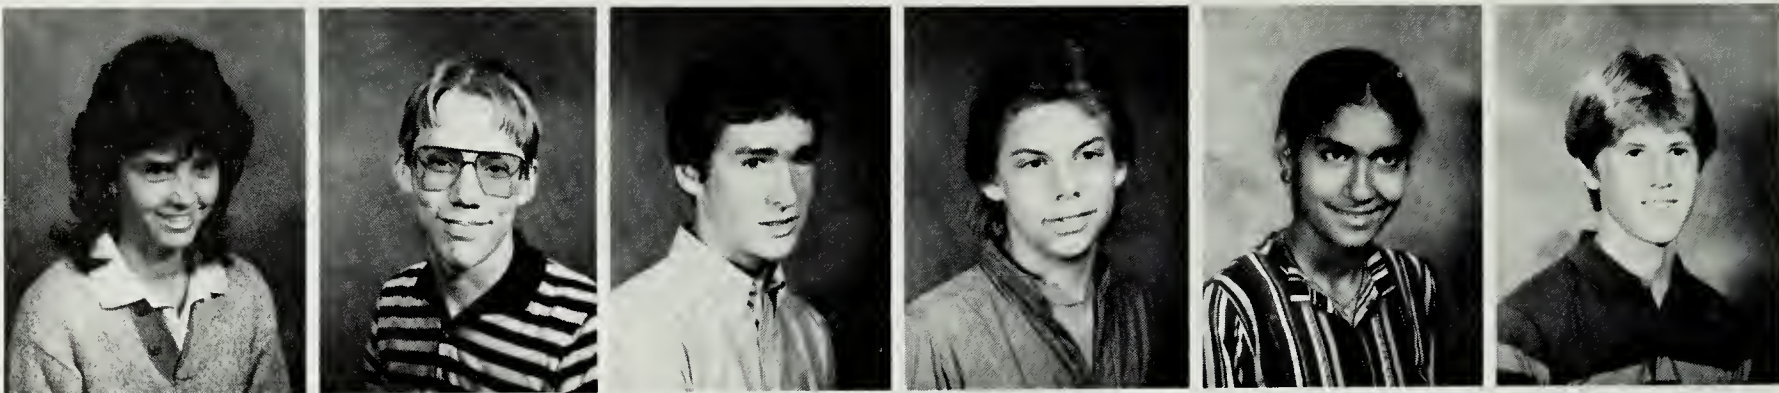

With two more years to go
And a life long ahead
Classes are taken, but
There's much more to be said.

Top Left: Jay Harris and his gang enjoying life at Gar-Field.

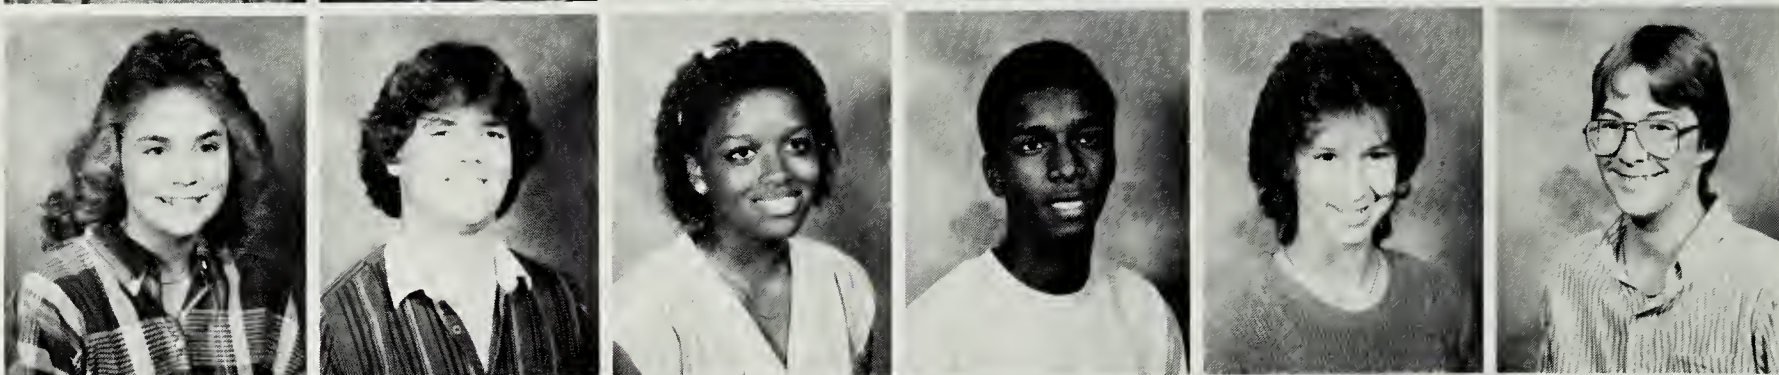

Bottom Left: Robbie, Danielle, Chris, and Kristen prove friendship makes the world go round.

Top Right: April Lewis, the sweet of the sweets.

FRESHMEN

ALL EYES ON FRESHMEN

Freshman

A freshman can be seen
As a person of fun
Working so hard
to get everything done.

New, scared, happy or sad
Mischievous, lonely and bad
Many of the qualities shown by all
Trying to make it,
Not to fall.

A freshman might see Gar-Field
As the worlds biggest school
Trying not to get lost
or act like a fool.

Waiting forever, but
Not coming too soon.
For summer break, you
Have to wait until June.

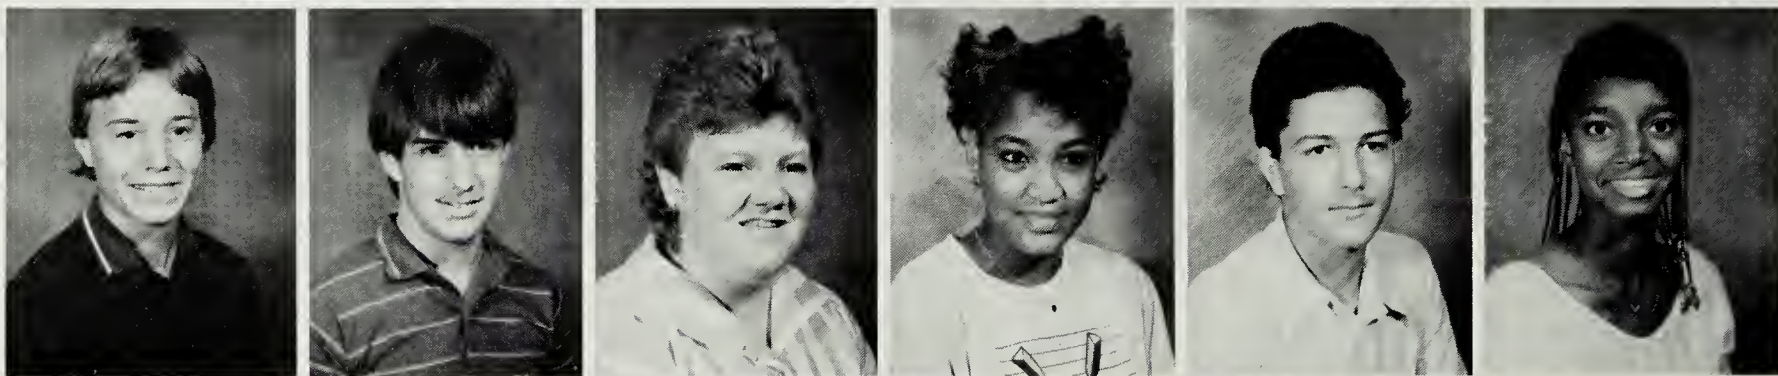

Freshmen are imaginative
Sometimes in the wrong way
But no matter what they do
They're here every day.

Top Left: Lesley Hetzler proves that homework can be a lot of fun. **Top Right:** Too cool for words. **Bottom Left:** I'm not sleeping, I'm thinking.
